Mr. Allen W. Dulles, Director  
Central Intelligence Agency  
Washington, D. C.

Dear Mr. Dulles,

At the advice of my friend, the honorable Mr. A. Adolph Berle, Jr., I write to you of a serious matter which requires the immediate and thorough action of your office.

Enclosed you will please find copies of the correspondence exchanged between myself and His Excellency, The President of the United States, concerning the presence in the Middle East of one Karl Eichmann, former Nazi mass murderer. Identical letters were sent to the Honorable Secretary of State. In both cases they were referred to the Director, Office of Near East Affairs. Copies of his answer and my reply are also enclosed.

I can only surmise from the State Department's answer that the danger of this situation has not been fully evaluated. The continued freedom of this arch criminal Eichmann poses a constant serious threat to freedom loving people everywhere.

I personally negotiated with this man in an attempt to save through bribery at least 200,000 Jews, the last remnant of our people, after he had already destroyed millions of men, women and children. When our negotiations fell through, he had the 200,000 liquidated in the gas chambers of Nazi Germany. My secret war-time representative lost his wife and children at the hands of this mass murderer. He can be brought forth to testify about the doings of the infamous Karl Eichmann.

My purpose for Eichmann's apprehension is not only for what he has done in the past but more so for what diabolical deeds may result from his consorting with the Mufti.

Please Mr. Dulles, you must use the influence of your office to bring Eichmann to justice, thereby thwarting his attempts to stir up relations in the Middle East.

I feel that Mr. Berle who has already written to you in this matter fully realizes the need for the CIA's intervention in this case.

May I have the honor of your early reply.

With Torah Greetings,

*A. Kalmanowitz*
